## THE OLD ARMADILLO:

I was coming back from visiting my son in my Miami and I stopped at a rest stop to use the bathroom. I just sat down on the toilet when I heard a voice coming from the stall next to mine, "Hey! How's it going?" Although I was quite surprised, and I wasn't in the habit of conversing to the people next to me in the stall, I nevertheless answered him, "I'm fine" I said "thanks for asking." "What are you doing?" Asked the same voice. To be honest I was a bit taken aback by the brazenness of this fellow, but I would never ignore anyone so I calmly answered, "I'm relieving myself." Then I heard the same voice again, "I'm going to have to call you back, some smart-aleck is answering all of my questions."
