## THE OLD ARMADILLO:

I was in a pet store picking up some pet food for my dog when I overheard the following conversation. A cute girl peaks over the counter and politely asks the sales representative. "I'm interested in buying a rabbit."

"Oh sure we've got lots of rabbits" gushed the motherly sales representative. "Do you have any specific color in mind? We've got some adorable white Bunnies down this isle." The lady exclaimed.

"Oh" said the cute girl with a wave of her hand, "I really don't think my boa constrictor would care about what color it is!"
